

**1**

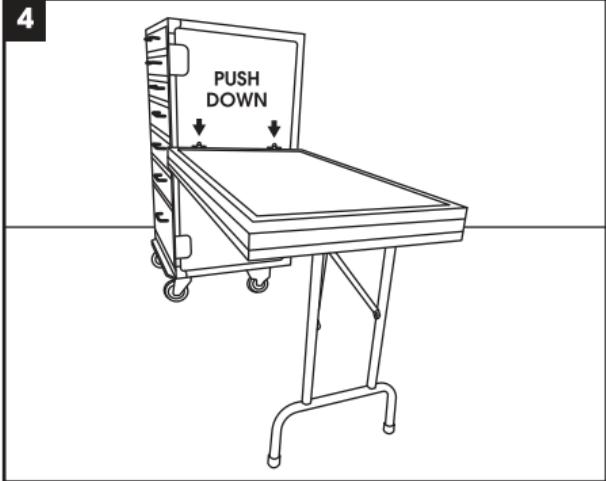

1. Detach table and unfold legs. Secure with metal pin.

**3**

3. Align red rivets to latches and slide the table into place. Lock the latches into position by rotating to center.

**2**

2. Lock wheel casters. Then unlock latches in open position by pressing in and pushing to the side.

**4**

4. Push down and confirm table is secure and locked into position.
