GATORCABLEWORKS

PRODUCT FEATURES:

PRO AUDIO PERFORMANCE

15-foot TRS ¼" balanced patch cable ideal for studio patch bays, outboard gear, and pro audio setups.

PREMIUM SIGNAL INTEGRITY

Dual-core 23 AWG conductors made with 99.99% oxygen-free copper ensure maximum clarity and a noise-free signal.

RELIABLE TRS CONNECTORS

Classic and sturdy male ¼" TRS to male ¼" TRS connectors provide secure, long-lasting connections in demanding environments.

STAY ORGANIZED

Includes reusable cable ties for easy cable management—perfect for streamlining your rig and organized storage or transport.

LIFETIME RELIABILITY

Backed by a limited lifetime warranty for peace of mind through countless sessions and gigs.

VELCRO TIES

¼" MALE TO ¼" MALE

OUR PROMISE

Cableworks has manufactured this product to provide you a lifetime of problem free use and reliability. In the case that something goes wrong with your cable, Cableworks will stand behind it's commitment to quality and reliability and take care of the issue. Cableworks products come with a Limited Lifetime Replacement Warranty for as long as you own it. If you are the original owner and purchased it from an authorized Cableworks dealer, we will ship you a replacement free of charge if the defect is because of workmanship or build materials. This warranty is in place as long as you own the product. This warranty will terminate when you give or sell the product to another party.
