

GCWB-DS6X2-30

BACKLINE SERIES 6x2 DROP SNAKE – 30 FT

SPECIFICATION SHEET

GATORCABLEWORKS

PRODUCT FEATURES:

6-CHANNEL DROP SNAKE WITH 2 RETURNS

Features 6 XLR input sends and 2 TRS return channels, ideal for live performances and studio applications while keeping cables organized.

HEAVY-DUTY & SECURE DESIGN

The inline steel box with locking XLR connectors ensures a stable, noise-free signal, while the low-profile design allows for easy access and efficient cable management.

PREMIUM AUDIO QUALITY

Built with 99.99% oxygen-free copper conductors and double shielding, providing 100% shielding factor for clean, high-quality sound.

EFFORTLESS SETUP & IDENTIFICATION

Numerically labeled connectors on both the box and fantail enable quick and hassle-free setup, perfect for professionals on stage or in the studio.

COMPACT & RELIABLE PERFORMANCE

30-foot cable length (9.1m), lightweight 4.6 lbs. (2.09kg) build, and high-quality XLR/TRS connectors, all backed by a Limited Lifetime Guarantee for lasting durability.

OUR PROMISE

Cableworks has manufactured this product to provide you a lifetime of problem free use and reliability. In the case that something goes wrong with your cable, Cableworks will stand behind it's commitment to quality and reliability and take care of the issue. Cableworks products come with a Limited Lifetime Replacement Warranty for as long as you own it. If you are the original owner and purchased it from an authorized Cableworks dealer, we will ship you a replacement free of charge if the defect is because of workmanship or build materials. This warranty is in place as long as you own the product. This warranty will terminate when you give or sell the product to another party.
