

GCWB-DS8X0-50

BACKLINE SERIES 8x0 DROP SNAKE – 50 FT

SPECIFICATION SHEET

GATORCABLEWORKS

PRODUCT FEATURES:

8-CHANNEL DROP SNAKE FOR STAGE & STUDIO

Designed for organized cable management, this 50-foot drop snake features an 8 XLR input box to 8 XLR output fan design, perfect for drum mics, small stages, and extending main snakes.

DURABLE & SECURE CONSTRUCTION

The heavy-duty inline steel box with locking XLR connectors ensures a stable, noise-free signal while withstanding the demands of live performances and studio use.

SUPERIOR AUDIO PERFORMANCE

Built with 99.99% oxygen-free copper conductors and double shielding, providing 100% shielding factor for clean, high-quality sound.

EFFICIENT & HASSLE-FREE SETUP

Numerically labeled connectors on both the box and fantail allow for quick identification, streamlining connections in professional applications.

COMPACT & RELIABLE DESIGN

Low-profile box (12.78" x 2.78" x 2.18"), 50-foot cable length, and a lightweight 6.0 lbs. (2.72kg) build, all backed by a Limited Lifetime Guarantee for long-term durability.

OUR PROMISE

Cableworks has manufactured this product to provide you a lifetime of problem free use and reliability. In the case that something goes wrong with your cable, Cableworks will stand behind it's commitment to quality and reliability and take care of the issue. Cableworks products come with a Limited Lifetime Replacement Warranty for as long as you own it. If you are the original owner and purchased it from an authorized Cableworks dealer, we will ship you a replacement free of charge if the defect is because of workmanship or build materials. This warranty is in place as long as you own the product. This warranty will terminate when you give or sell the product to another party.
