

GCWC-FPC24

COMPOSER SERIES FLAT PATCH CABLE – 24"

SPECIFICATION SHEET

PRODUCT FEATURES:

SPACE-SAVING FLAT DESIGN

Ultra-thin right-angle connectors and a low-profile flat cable help maximize space on pedalboards for a cleaner, more organized setup.

PREMIUM SIGNAL CLARITY

99.99% oxygen-free copper conductors and 24 AWG low capacitance wiring ensure superior tone preservation with minimal signal loss.

GOLD-PLATED FOR MAXIMUM CONDUCTIVITY

Nickel-plated housing with 24K gold contact tips enhances durability, prevents corrosion, and delivers a crystal-clear signal.

SUPERIOR NOISE REJECTION

100% shielding factor with robust double shielding blocks unwanted interference, maintaining a pure and noise-free signal chain.

BUILT TO LAST

Crafted with high-quality materials and backed by a Limited Lifetime Guarantee, ensuring long-term performance for professional musicians and enthusiasts alike.

OUR PROMISE

Cableworks has manufactured this product to provide you a lifetime of problem free use and reliability. In the case that something goes wrong with your cable, Cableworks will stand behind it's commitment to quality and reliability and take care of the issue. Cableworks products come with a Limited Lifetime Replacement Warranty for as long as you own it. If you are the original owner and purchased it from an authorized Cableworks dealer, we will ship you a replacement free of charge if the defect is because of workmanship or build materials. This warranty is in place as long as you own the product. This warranty will terminate when you give or sell the product to another party.
